
Client Concerns & Grievance Process Acknowledgement

Dear Client and Family Member:

While it is the philosophy of Mastercare Homecare to consistently provide quality Homecare and Healthcare to all our clients, we understand that from time to time, situations or concerns may arise. All our clients have the right to file a complaint or a grievance at any time and the right to continuation of care without the fear of retaliation when filing a grievance, as well as the peace of mind knowing that all the information provided will be kept in strict confidence.

Mastercare Homecare will be there every step of the way to ensure your issues are resolved in a timely manner. We have a formal grievance procedure and process that ensures that your concerns shall be reviewed and investigation started within 48 hours. Every attempt shall be made to resolve grievances within 14 days. You have been provided with our Grievance Policy and Procedure as well as Client Grievance Forms.

I have been informed of the grievance process and have received a copy of the Grievance Policy and Procedure.
